

CURRICULUM VITAE

Prof. Samir Saad
President Of Wadi International University

1- Personal Information and Marital Status :

Name : Samir Saad
Place & Date of Birth : Marmarita , 12 March 1944
Marital Status : Married
Number of Children : Two
Wife's Name : Amal Kabous
Wife's Nationality : Syrian
Wife's Profession : PhD in Economics , Professor at the Faculty of Economics ,
Aleppo University
Permenant Address : Syria , Aleppo , New Syrian Area (Serian Jdideh) , Fathi
Antaki Street , Jerjo Building , 2nd Floor .
Tel: (+963-21) 2276358 Fax :(+963-21)2279654
E-mail samirsaaddr@gmail.com

2- Scientific Degree Information :

Description	BSc	Diploma	3 rd Cycle PhD	Doctorat D'Etat
Grade	Good	Good Enough	Very Good	Excellent
Major	Mathematics	Pure Mathematics	Algebra	Algebra
Minor	Mathematics	Algebra & Analysis	Lie Algebra	Lie Algebra
Study Language	Arabic	French	French	French
University	Damascus	Poitiers	Poitiers	Poitiers
Location	Damascus/ Syria	Poitiers/France	Poitiers/France	Poitiers/France
Year Obtained	Sep. 1965	June 1974	June 1976	June 1978

Diploma Thesis Title : Study of Pointcarre – Birkov White Law
3rd Cycle PhD Thesis Title : About Deflow Law
Doctorat D'Etat Thesis Title : Study of Primitive Ideals
Higher Training Course : One year sabbatical (research study) in Paris ,
France , Univeristy of Paris VI in 1986 – 1987 .

3- Languages :

Arabic :	Reading, writing & speaking (conversation) :	Excellent
French :	Reading, writing & speaking (conversation) :	Excellent
English :	Reading : Excellent. Writing & speaking (conversation):	Very Good

4- Professional Experience :

- 1- Lecturer at Aleppo University From 1972 To 2007 .
- 2- Held many Administrator and Academic positions at Aleppo University.

5- Books and Publications :

- 1- Introduction to Modern Algebra (Algebra 1) for first year students, Faculty of Sciences Aleppo University Publications 1981.
- 2- Introduction to Linear Algebra (Algebra2) for first year students, Faculty of Sciences – Aleppo University Publications 1982.
- 3- General Mathematics (I) – (Algebra) - for first year students, Faculty of Electrical engineering – Aleppo University Publications 1983.
- 4- Mathematics for first year students, Faculty of Natural Sciences – Aleppo University Publications 1981.
- 5- Differential Geometry for fourth year students, Faculty of Sciences – Aleppo University Publications 1985.
- 6- Algebra (4) – Linear Algebra – for students of second and third year, Faculty of Sciences in Aleppo University. Aleppo University Publications 1996.
- 7- Mathematics for first year students, Faculty of Pharmacy – Aleppo University Publications 1996.

6- Research Studies :

Conducted more than 50 research in Mathematics.

7- Supervision :

- 1- Supervised Several Seminars in the field of Algebra.
- 2- Supervised an MSc thesis in the field of Differential Geometry. Defended in 1996.
- 3- Supervised an MSc thesis in the field of Algebra. Defended in 1998.
- 4- Supervised an PhD thesis in the field of Differential Geometry. Defended in 2001
- 5- Supervised an PhD thesis in the field of Algebra. Defended in 2005.
- 6- Supervised an PhD thesis in the field of Algebra (under preparation).

8- Conferences and Workshops :

1. Mathematics & Computer Conference, held in Tunisia. A paper was Presented.
2. Mathematics Conference, held in Paris, France in 1987.
3. Tenth Science Week held in Damascus in 1987. A paper was Presented.
4. Fourth Jordanian Mathematics Conference, held in Irbed (Jordan) in August 1998. A paper was Presented.
5. Participation in Several Conferences and workshops and local Science weeks.

9- Specialized Subjects for Work or Consultations :

- 1- University Teaching according to Professional experience .
- 2- Scientific Research in absolute Mathematics.
- 3- Supervising a Scientific magazine and Consultations (Consultancies) .
- 4- Research refereeing in the fields of Algebra and Differentiate Geometry.
- 5- Performing University, scientific and administrative jobs.

**Professor
Samir Saad**
